“Friendship, that pervasive, everyday, and subtle matter of our most intimate personal life, has rarely been accorded its due. Michael Pakaluk has retrieved the thoughts of our greatest thinkers on the subject and collected them into a handsome and handy volume....

Michael Pakaluk’s Other Selves...

Other Selves: Philosophers on Friendship

In this new collection, Pakaluk has gathered up the great minds of the Western tradition to provide a rich and varied view of friendship. From Plato to Augustine to Montaigne, from Cicero to Kant to Mill, Pakaluk presents a wide range of different perspectives on this important topic. This collection contains a spectacular array of short works and excerpts on the question of friendship all in one place. From reading this, it is easy to watch the progression of ideas in the Great Conversation, as each other responds and refines the ideas of the last. Whether you are looking for a general introduction to the topic of friendship or are a scholar looking for ideas and inspiration, this is the volume to have.

Aristotle on Self-Knowledge and Friendship

From reading this, it is easy to watch the progression of ideas in the Great Conversation, as each other responds and refines the ideas of the last. Note: Citations are based on reference standards.
